2. Choose the term of your investment

- + Term Deposit rates are published at mine.com.au/pension-term-deposit These rates reflect the gross annual rates we receive from the Authorised Deposit-taking Institution (ADI) and don't take into account fees and taxes that may be deducted on maturity.
- + You must hold your Term Deposit until maturity or you may face restrictions and costs, such as a reduced interest rate, fees or refusal of early repayment of capital. This depends on the ADI that's issued the Term Deposit, as each ADI has their own rules. You need to consider whether this is suitable for your investment needs.

Write 'X' in one box only:
