I'd like to reinvest for a term of: Six months One year Or Nominate an amount: \$ Six months One year 3. Your declaration • I've read the Mine Super Product Disclosure Statement. I understand the rules that apply to investing in Mine Super's Term Deposit. • I understand that I cannot reinvest my proceeds into a new Term Deposit until they have reached full maturity and are accessible (which generally is approximately three (3) business days after date of maturity). I understand that if I've nominated a dollar amount, Mine Super will adjust this amount if I haven't left sufficient funds in another investment option to cover the 15% minimum needed to pay for fees, charges and insurance premiums. Term Deposit rates are published at mine.com.au/term-deposit These rates reflect the gross annual rates we receive from the Authorised Deposit-taking Institution (ADI) and don't take into account fees and taxes that may be deducted on maturity. You must hold your Term Deposit until maturity or you may face restrictions and costs, such as a reduced interest rate, fees or refusal of early repayment of capital. This depends on the ADI that's issued the Term Deposit, as each ADI has their own rules. You need to consider whether this is suitable for your investment needs. Your signature Date (DD-MM-YYYY)
