

TRANSFER IN YOUR OTHER INSURANCE

Use this form to transfer insurance cover from another life insurance policy or fund.

Before you start... Fill this form out in **BLOCK** letters using a black or blue pen. Write 'X' to mark boxes.

- If your employer doesn't make employer super contributions into your Mine Super account, you must have at least \$5,000 in your account to transfer in your other insurance.
- Make sure you're aware of any fees that may apply by transferring your cover.
You should review your current policy terms so you understand the effects of transferring your cover.
- You must return this form within 45 days of signing and dating the declaration in **Section 5**.

Your transfer request isn't automatic. It's subject to our insurer's acceptance and some limitations apply. To ensure you're covered at all times, don't cancel your other cover until you've received written confirmation that your transfer request was accepted. If you're not sure, contact us before cancelling your other cover.

There are risks you should consider when transferring your existing cover, such as the loss of any accrued benefits, any new health issues you may not be covered for under your new cover, the possibility of waiting periods having to start again and the implications if you don't disclose all relevant information on an application form (even if unintentional). You shouldn't cancel any existing cover until your application is accepted by our insurer. Once your cover has been transferred, you must cancel your other policy.

 You need to attach an up-to-date statement or any other written evidence from your other fund or insurer confirming the type and level of cover you have with them. This document must be received by Mine Super within 60 days of it being issued.

What limits apply to transferring your insurance to Mine Super?

The total amount of your cover with Mine Super can't exceed the maximum benefit allowed under our policies.

The following age rules also apply to transferring insurance:

- Income Protection - you must be under 65 years of age.
- Death and Terminal Illness - you must be under 60 years of age.
- Total and Permanent Disablement - you must be under 60 years of age.

On what terms will the transfer be made?

If your application is accepted, your transferred cover will be subject to Mine Super's insurance policy terms. We'll notify you of your cover amount and the date your cover commences. The premium rates stated in Mine Super's policies will apply to your transferred cover.

For Income Protection, your current waiting and benefit periods will be matched as closely as possible within Mine Super's insurance terms to the next lowest benefit period and next highest waiting period. For instance, if your existing cover has a 14 day waiting period, your transferred cover will have the minimum 30 day waiting period, as 30 days is the closest period available. If your existing benefit payment period is to age 65, you'll only receive a five year benefit period with Mine Super, as five years is the maximum available benefit period.

 - Death and Terminal Illness only: up to a maximum of \$1 million in addition to any existing Mine Super cover.

- I won't effect a continuation option, or subsequently reinstate any cancelled cover with the other insurer, or within the other fund or any other division, section, category of the other fund, or within any fund or insurance policy where such reinstatement of cover is available to me.

7. Duty of reasonable care

The duty to take reasonable care

When you apply to transfer in other insurance, you are treated as if you are applying for cover under an individual consumer insurance contract and this duty to take reasonable care applies. A person who applies for cover under a consumer insurance contract has a legal duty to take reasonable care not to make a misrepresentation to the Insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Under the Insurance Contracts Act 1984 (Cth) there are a number of different remedies that may be available to the Insurer. They are intended to put the Insurer in the position it would have been in if the duty had been met. For example, the Insurer may:

- avoid the cover (treat it as if it never existed);
- vary the amount of the cover; or
- vary the terms of the cover.

Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances;
- what the Insurer would have done if the duty had been met – for example, whether it would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.

Guidance for answering the questions in this form

You are responsible for the information provided to the Insurer. When answering questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

Please note that there may be circumstances where the Insurer later investigates whether the information given to it was true. For example, it may do this when a claim is made.

Changes before your cover starts

Before your cover starts, the Insurer may ask you whether the information that has been given as part of your application for insurance remains accurate or whether there has been a change to any of your circumstances. As any changes might require further assessment or investigation, it could save time if you let us or the Insurer know about any changes when they happen.

If you need help

It's important that you understand your obligations and the questions that are being asked. Please contact us for help if you have difficulty understanding the process of obtaining insurance or answering any questions.

Please also let us know if you're having difficulty due to a disability, understanding English or for any other reason – we're here to help and can provide additional support.

- The answers I've provided to all questions and the declarations are true and correct and aren't misleading.
- I understand that my insurance cover won't become effective until my application has been accepted in writing by the relevant insurer and provided my member account has adequate funds to meet the premium payable.

- Exclusions or limitations on the transferring cover will be retained on the cover under Mine Super.

I further authorise the relevant insurer to investigate whether any premium loading/s, restriction/s and exclusion/s may have applied to my other cover, and any other information that may be relevant to the insurer's consideration and assessment of this application.
- I acknowledge and understand that if I don't validly cancel my other cover as required under the terms of this application, the insurer will reduce any benefit payable under the policy by the benefit payable under the other cover to the extent that the other cover should have been cancelled but wasn't.
- I agree to provide the insurer/s with access to the health and / or financial evidence I provided to my other fund or insurer in an application for cover.
- By signing this declaration, I acknowledge and declare to the insurer that the disclosures and representations made in the application for cover to the other fund or insurer are true and correct. I acknowledge that in making this declaration, the insurer will rely on that information and any non-disclosure or misrepresentation to the other fund or insurer may be acted upon by the insurer underwriting Mine Super's policies.
