1. About us

Of the mining community, for the mining community

Since 1941, we've been committed to the retirement outcomes of our members and being a trusted super partner in the communities we serve. We know you're working hard to secure Australia's future, so we'll help secure yours.

As a profits-to-member fund, we're only focussed on making decisions that are in the best interests of our members. We understand the challenges faced by miners and workers in high risk occupations, so when you join Mine Super, you stand shoulder to shoulder with members in one of Australia's oldest super funds.

 For more information about the benefits of investing with Mine Super, go to Section 3 or mine.com.au

We offer ten investment options for you to invest your super:

- + **Four diversified investment options** – High Growth, Growth, Conservative Balanced and Stable.
- + **Six single asset class investment options** – Australian Shares, International Shares, Property, Bonds, Cash and Term Deposit.

If you don't choose which investment option/s to invest your super in, it will be invested in our MySuper Lifecycle Investment Strategy. You can also choose to invest in our Lifecycle Investment Strategy at any time. The strategy works by investing your super in a mix of the **High Growth** and **Conservative Balanced** investment options based on your age. The objective of the strategy is simple: to give you significant exposure to growth assets such as shares and property (the High Growth investment option) in the early stages of your working life, and then gradually reduce this as you get older by increasing your exposure to defensive assets such as fixed income and cash (the Conservative Balanced investment option). This helps provide less volatile investment returns as you get older.

You should read the important information about the Lifecycle Investment Strategy before making a decision. Go to mine.com.au/super-pds and read the factsheet titled **Lifecycle Investment Strategy**. The material relating to the Lifecycle Investment Strategy may change between the time you read this Statement and the day you sign the application form.

You can find the Product Dashboard for the MySuper Lifecycle Investment Strategy at mine.com.au/product-dashboard. You can find information about the Trustee, executive remuneration and other information we must make available at mine.com.au/about-us

2. How super works

About Super

Super's one of the best ways to save for your retirement. It is, in part, compulsory. Generally, you can't get hold of your super until you retire, usually after you've reached your preservation age. But there are times where you might be able to withdraw it earlier than this.

The government wants you to put money aside for when you retire and to encourage you to do this, it gives you tax breaks and other benefits.

Because some of your pay has to be paid into super when you start working, you start saving for your retirement early. The longer you save, the more money you'll have to enjoy when you retire.

For more information about how super works, go to moneysmart.gov.au or read our **What is super?** factsheet at mine.com.au/super-factsheets

How to increase your super savings... making contributions into your Mine Super account

There are a number of ways you can add money to your super:

Contributions from your employer

If you're employed and earn more than \$450 a month, your employer must pay 10% of your pay into your super on your behalf. You can generally choose which super fund you'd like your employer to contribute this to. You can also ask your employer to deduct extra money from your pay before tax is taken out, called salary sacrifice contributions.

Your own contributions

You can contribute your own money from your pay or income after tax is taken out.

The government sets limits on how much of your contributions are taxed at the low rate applying to super funds. These limits are called 'contribution caps'. For more information read our **How much can I add to my super account?** factsheet at mine.com.au/super-factsheets

Transfer super you have in other funds into your Mine Super account

Having all your super in one fund means you won't pay multiple fees to different funds and therefore, have more money to invest for your retirement. It also makes managing your super easier. You save time, receive less paperwork and you're less likely to lose track of your super.

Government co-contribution and low income superannuation tax offset

The government has two schemes to help people on low and middle incomes save for their retirement.

- + If you contribute your own money after tax and meet certain rules, you might be eligible for the **government co-contribution**.
- + If your employer contributes the compulsory 10% of your pay into your super account and / or you ask your employer to make contributions from your before-tax pay, called salary sacrifice contributions, you might be eligible for the **low income superannuation tax offset**.

Contributions by your spouse

Your spouse can contribute money to your Mine Super account. They might receive a tax benefit for doing this.

Investing your super

Once you or your employer contribute money into your super, we invest it for you. Your super will increase in value if investment returns are positive and fall in value if investment returns are negative.

One of the benefits of Mine Super is that there are two ways you can invest your super.

- + **Let us do it for you** through our MySuper Lifecycle Investment Strategy. **Or**
- + **You can choose** how you want to invest your super from ten investment options.

 For more information about investing your super, go to **Section 5**.

Withdrawing money from your super

The purpose of super is to save for your retirement. Because of this the government has set strict rules around when you can withdraw money from your super. Generally, your super's 'preserved', which means you can't withdraw money from it until you retire. But there are times when you might be able to withdraw it earlier than this.

 You should read the important information about making contributions and withdrawing your super before making a decision. Go to mine.com.au/super-pds and read the factsheets titled: **Boost your super with the government co-contribution; How much can I add to my super account?** and **When can I access my super?** The material relating to making contributions and withdrawing your super may change between the time you read this Statement and the day you sign the application form.

3. Benefits of investing with Mine Super

The Fund is an 'accumulation style' fund. This means the value of your account is linked directly to the value of the investment options you're invested in.

Here are some benefits of investing with Mine Super

+ A safe and secure place for your super.

In 1941 we began with a mission to help miners retire with dignity. Today we've grown into a fully-fledged super fund and our doors are open to all. We uphold strong safeguards that mean your super's in safe hands. We look after \$11.4 billion for 57,016 members¹.

+ We're value for money.

We're a profits-to-member Fund so we don't earn a profit for ourselves or shareholders. We only cover our costs which means more for you through investment returns and lower fees and charges.

+ You can contribute all types of super contributions into your account.

This includes contributions from your employer, after-tax pay and before-tax pay. You can also save fees from having multiple super funds by transferring other super you have to your Mine Super account.

+ Investments to suit your needs and your lifestyle.

We have ten investment options for you to invest in that let you mix and match how your super's invested. If you don't want to make a choice, that's ok too. You'll be automatically invested in our **MySuper Lifecycle Investment Strategy**.

+ Get insurance through your super.

You can use your Mine Super account to have death, terminal illness, total and permanent disablement and income protection insurance. Having insurance through your super can also work out cheaper and easier to manage.

+ Financial advisers there for you.

You can get financial advice from Mine Super Financial Advice. Their goal is to make sure you receive the right advice to make the most of your individual situation, and it won't cost the world.

+ Customer service that suits you.

We provide an in-house member services team and offices in Newcastle, Warners Bay, Wollongong, Brisbane, Mackay, Moranbah, Rockhampton and Collie. We can also meet you in other major regional coal mining centres by appointment. We offer regular communications, seminars and workshops.

+ Transact and view your account online

Your online account is available 24/7, allowing you to check your inbox, balance / transaction history, update your details or switch investment options.

+ A home for all your super always.

You can enjoy the benefits of being a Mine Super member over your whole life. You can take your super account with you from one job to the next. When it comes time to retire you can invest your super in our flexible pension product.

Don't take our word for it... here's what the experts think

Two of the super industry's most respected companies that rate super funds, SuperRatings and Chant West, have awarded us their highest rating. You can compare Mine Super against other super funds at our website using Chant West's AppleCheck.

For more information about the benefits of investing with Mine Super, go to mine.com.au

4. Risks of super

When thinking about super, it's important to understand its risks so you can make the right choices:

- + All investments have risk and the value of your super will vary.

- + Different investment strategies, such as the investment options you invest in, have different levels of risk depending on the assets they're invested in. To measure these risks, we've adopted 'Standard Risk Measures' (SRMs) developed by the super industry. Information about High Growth's SRM can be found in **Section 5**. The SRMs for our other investment options can be found in their factsheets. Go to mine.com.au/super-pds
- + The returns from investments are affected by things such as inflation, interest rates and market conditions. The value of currencies can also have an impact, particularly if you invest in international shares.
- + Assets with the highest long-term returns, such as shares and property, might also have the highest short-term risk. Cash and fixed income / bonds generally have less potential for high long-term returns, but also tend to have less short-term risk.
- + The return you get from your super will vary and future returns could be different from past returns.
- + Returns are not guaranteed and you might lose some of your money.
- + Super laws might change.
- + The amount of super you end up with when you retire might not be enough for you to have a comfortable retirement.
- + How much risk you take is your decision and depends on your age, how long you'll invest for, your other investments, how comfortable you are with the possibility of losing some of your super in some years, among other considerations.

5. How we invest your money

We offer ten investment options for you to invest your super:

Four diversified investment options – High Growth, Growth, Conservative Balanced and Stable.

Six single asset class investment options – Australian Shares, International Shares, Property, Bonds, Cash and Term Deposit.

! Warning: When you're thinking about which investment options to invest in, you should consider the likely investment return, risk and how much time you have to invest.

Mine Super gives you choices

One of the benefits of Mine Super is that you can choose which investment options your super's invested in or make no choice and have it automatically invested in our MySuper Lifecycle Investment Strategy.

- + **Make no choice** and your super will be invested in our MySuper Lifecycle Investment Strategy **Or**
- + **Choose your own investment options.** You can choose any mix of the four diversified and six single asset class investment options. The mix you choose must add up to 100%. You can also choose to invest your current account balance and future contributions differently or invest in our Lifecycle Investment Strategy at any time.

i To help you decide how to invest your super, it's important to understand some basic investment concepts. See our investment factsheets at mine.com.au/super-factsheets

An example of our investment options – High Growth

Invests primarily in shares, property, infrastructure and other alternatives that aim to maximise returns by taking greater risk.

Who is High Growth suitable for?

Suitable for people who wish to invest their super for five or more years.

What assets does High Growth invest in?

	SAA ²	Allowable range ²
Australian Shares	39%	20–55%
International Shares	48%	30–65%
Property	3.3%	0–20%
Alternatives	0.7%	0–20%
Infrastructure	4.6%	0–25%
Fixed income	1.9%	0–20%
Cash	2.5%	0–20%

What's the investment return objective?

Achieve a return exceeding the increase in the Consumer Price Index (CPI) by at least 4% pa, after tax and investment costs, over any ten year period³.

Example: If the ten-year CPI is 2% pa, the investment objective will be for investment returns to exceed 6% pa, after tax and investment costs, over the ten year period.

What's the minimum time you should invest in High Growth?

At least five years.

High Growth's standard risk measure

High Growth's risk level is high. The table below shows the estimated number of annual negative returns over any 20 year period. These negative returns can be experienced several years apart or several years in a row within the 20 year period.

i For more information about the standard risk measure read the **High Growth** factsheet at mine.com.au/super-pds or go to mine.com.au/investment-options

How can you change the investment options you're invested in?

You can switch investment options through your online member account or by filling in the **Make an investment choice** form.

Who do we invest your super with?

We appoint professional investment managers to invest your super. We regularly review their performance and can remove managers and add new ones.

i For more information about our investment managers go to mine.com.au/how-we-invest-your-money

² The strategic asset allocation (SAA) can move over time while remaining within the allowable range. For up-to-date actual asset allocation information, call us on 13 64 63.

³ The investment return objective differs from the return targets disclosed in the Product Dashboard due to using different methodologies.

Can our investment options change?

Yes, in the future we might offer new investment options or close or change existing ones.

Do we take labour standards or environmental, social or ethical considerations into account?

We seek to maximise investment returns while managing risk. Our investment options are managed by a group of market leading Australian and global funds management businesses who engage with company management. They integrate the management of a range of environmental, social and governance risk factors and opportunities into the investment process, which may impact our investment returns and reputation.

 You should read the important information about our ten investment options before making a decision. Read the factsheets titled: **High Growth; Growth; Conservative Balanced; Stable; Australian Shares; International Shares; Property; Bonds; Cash** and **Term Deposit** at mine.com.au/super-pds. The material relating to our ten investment options may change between the time you read this Statement and the day you sign the application form.

6. Fees and costs⁴

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees, advice fees for personal advice and insurance fees, may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you. Entry fees and exit fees cannot be charged.

Taxes, insurance fees and other costs relating to insurance are set out in another part of this document.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The following is a consumer advisory warning which, by law, we must show.

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example reduce it from \$100 000 to \$80 000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the Australian Securities and Investments Commission (ASIC) website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

⁴ All our fees and costs include GST where applicable.

To make it easy for you to compare fees and costs across different funds, we must set out our fees and costs in the following way. Our fees and costs are either deducted directly from your account, for example the Administration fee, or deducted from the investment option you're invested in before earnings are credited to your account.

The fee table on the next page shows an estimate of the fees a member with an account balance of \$50,000 would pay as at the date of this Product Disclosure Statement. Actual fees may vary.

Mine Superannuation Fund

Type of fee or cost	Amount (% pa)	How and when paid
Investment fee^{6,7}	High Growth ⁵ 0.37%, Growth 0.35%, Conservative Balanced ⁵ 0.27%, Stable 0.24%, Australian Shares 0.10%, International Shares 0.08%, Property 0.08%, Bonds 0.20%, Cash 0.08%, Term Deposit 0.00%	We generally calculate and deduct this fee daily when unit prices are determined.
Administration fee⁶	\$1 per week + 0.16% pa Percentage fee is zero for Term Deposit.	We generally deduct the dollar-based administration fee on the last day of the month from your super account balance. We generally calculate and deduct the percentage based administration fee when unit prices are determined.
Buy-sell spread	Nil	
Switching fee	Nil	
Advice fees relating to all members investing in a particular MySuper product or investment option	We offer a complimentary appointment with a financial adviser for all members and personal advice fees are up to a maximum of \$2,750.	You pay or, for the portion of the advice that is super related, you can choose to have it deducted from your super account.
Other fees and costs⁸	Nil	
Indirect cost ratio (ICR)^{6,7}	High Growth ⁵ 0.21%, Growth 0.28%, Conservative Balanced ⁵ 0.40%, Stable 0.37%, Australian Shares 0.00%, International Shares 0.07%, Property 0.14%, Bonds 0.14%, Cash 0.00%, Term Deposit 0.00%	This is an estimate of the annual indirect cost ratio for each investment option. The actual costs are deducted from the return paid to the Fund when each unit price is determined.

- ⁵ If you're invested in the MySuper Lifecycle Investment Strategy, you'll be invested in a mix of the High Growth and Conservative Balanced investment options based on your age. Your fees will be weighted across these investment options according to this mix. Read our **Fees information** factsheet for how you'll be affected at different ages. For more information about the **Lifecycle Investment Strategy** read our Lifecycle Investment Strategy factsheet at mine.com.au/super-pds
- ⁶ If your account balance for a product offered by the superannuation entity is less than \$6,000 at the end of the entity's income year, the total combined amount of administration fees, investment fees and indirect costs charged to you is capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.
- ⁷ The investment fees and indirect costs shown are estimated by reference to investment related fees and costs, including underlying investment manager costs, incurred for the 12 month period to 30 June 2021. Accordingly, actual investment and indirect costs over the current period of the PDS will vary based on actual fees and costs incurred in that period.
- ⁸ We may apply other fees and costs which relate to family law splits, answering subpoenas, advice fees for personal advice, insurance fees and term deposit early withdrawal fees. See the **Fees information** factsheet at mine.com.au/super-pds for further information.

An example of annual fees and costs

This table gives an example of how the fees and costs for the MySuper Lifecycle Investment Strategy for members aged 50 and under, who are invested 100% in High Growth, for this superannuation product can affect your superannuation investment over a one year period. You should use this table to compare this superannuation product with other superannuation products.

Example - High Growth		Balance of \$50,000
Investment fees	0.37%	For every \$50,000 you have in High Growth you will be charged \$185 each year
Plus Administration fees	0.16% plus \$52	And , you will be charged \$80 plus \$52 in administration fees regardless of your balance
Plus Indirect costs for High Growth	0.21%	And , indirect costs of \$105 each year will be deducted from your investment
Equals Cost of product	\$422	If your balance was \$50,000, then for that year you will be charged fees of \$422 for High Growth.

If you close your account you won't be charged an exit fee or a buy/sell spread. Additional fees may apply.

Can we change our fees and costs?

Yes, we can change our fees and costs without your consent. We'll give you at least 30 days notice of any change. Investment fees and indirect fees may vary as the actual fees and costs charged by the Fund vary. No notice is provided of these changes.

Insurance premiums

Details about the cost of your insurance and how your insurance premiums are calculated are set out in section 8 of this PDS and in the Insurance Guide. The premiums we charge can change in line with the terms of the policy. If the change is material, we'll let you know in writing at least 30 days before the changes take effect.

Financial advice fees

If you need financial advice, Mine Super Financial Advice⁹ is here to provide the help you need to make confident and informed financial decisions.

You'll need to complete a **Financial advice fee authorisation** form and return it to us before we can deduct financial advice fees from your account.

 For more information about Mine Super Financial Advice, read the **Here to help you make confident and informed financial decisions** factsheet at mine.com.au/super-factsheets

-  Warning: If you get financial advice from Mine Super Financial Advice, you might have to pay extra fees. The fees you'll be charged will be outlined in a Statement of Advice.
-  The cost of financial advice and how you pay for it depends on the type of advice you're looking for.

⁹ Advice is provided by Mine Super Financial Advice a trading name of Mine Super Services Pty Ltd ABN 49 051 315 014 AFS licence 502700, and is a related entity to the Trustee.

 You should read the important information about fees at mine.com.au/super-pds before making a decision. Read the factsheet titled **Fees information**. The material relating to fees may change between the time you read this Statement and the day you sign the application form.

7. How super is taxed¹⁰

When money is paid into your account:

- + **Contributions from your employer and before-tax pay (salary sacrifice)** – these are taxed at 15% if you earn less than \$250,000 pa and 30% if you earn more than \$250,000 pa. If you contribute amounts above the government's yearly limit, or 'contribution cap', you might have to pay extra tax. For information about withdrawing these excess contributions and the tax implications, read our **How much can I add to my super account?** factsheet at mine.com.au/super-pds
- + **Contributions you make from your after-tax pay, income or savings** – these aren't taxed, except if you contribute an amount above the government's yearly limit.
- + **Contributions from your spouse (spouse contributions)** – these contributions aren't taxed. If you earn less than \$40,000 a year, your spouse might be eligible for an 18% income tax offset on the first \$3,000 they put into your super account each year.

-  Warning: The government has set limits, called 'contribution caps', on how much you can contribute into super at the low 15% tax rate. If you exceed these limits you'll pay extra tax.

Investment earnings

These are generally taxed at 15%. This tax is deducted from the investment option you're invested in before earnings are allocated to your account.

When you withdraw money from your account

The tax you pay when you withdraw money from your super depends on your age:

- + **Age 60 and over:** You won't pay tax.
- + **Your preservation age – age 59:** Part of your 'taxable component' (the part of your super you have to pay tax on) is tax-free. Amounts above this tax-free portion are taxed. To work out the amount of your 'taxable component' that's tax-free, go to mine.com.au/withdrawal-tax

+ **Under preservation age:** The full 'taxable component' is taxed at your marginal tax rate or 22%, whichever is lower, which includes the Medicare Levy.

If you have to pay tax, we'll deduct it from your withdrawal benefit. Your super won't be taxed if you transfer it to another super fund or pension.

Tax paid on death benefits

If you die, the amount of tax deducted depends on who receives your super.

+ **Paid to dependants** – Tax-free¹¹.

+ **Paid to non-dependants** – The 'taxable component' is made up of two parts called the 'taxed element' and 'untaxed element'. The tax rates for each will depend on the relevant circumstances.

 For more information about dependants, read our **Nominating beneficiaries** factsheet at mine.com.au/super-factsheets

Tax paid by temporary residents and working holiday makers

If you're a temporary resident or working holiday maker you can apply to withdraw your super if you leave Australia. For temporary residents the 'taxable component' is taxed at 35% and the 'untaxed component' is taxed at 45%, while if you're a working holiday maker your full benefit will be taxed at 65%. These tax rates don't include the Medicare Levy, which might be payable.

 **Warning:** You should give us your Tax File Number (TFN) when you open your account with us. If you don't, you may pay extra tax when you contribute money into your account or withdraw money, or you might not be able to make some types of contributions. It will also be more difficult to trace different super accounts in your name so that you receive all your super when you retire.

 For more information about TFNs, read our **Your Tax File Number and super** factsheet at mine.com.au/super-factsheets

 You should read the important information about contribution caps before making a decision. Read the factsheet titled **How much can I add to my super account?** at mine.com.au/super-pds. The material relating to contribution caps may change between the time you read this Statement and the day you sign the application form.

¹⁰ This information on how super is taxed is general information only. How your super is taxed will depend on your personal circumstances.

¹¹ Adult children who aren't financially dependent or in an interdependency relationship with their parents are considered dependants under super law but non-dependents under tax law. Therefore, if they receive a death benefit they would need to pay tax.

8. Insurance in your super

 **Warning:** This is only a general summary of our insurance. You can find other important information about insurance, such as the cost of this insurance and if you're eligible to take out insurance through your Mine Super account, in our **Insurance Guide**. You should read the information in the full PDS including the **Insurance Guide**, before deciding if this insurance is appropriate. You can find these documents at mine.com.au/super-pds

As a member of Mine Super, you can have the following insurance through your account:

- + **Death and Terminal Illness (DTI) and Total and Permanent Disablement (TPD) insurance** – Pays a lump sum if you die, are terminally ill and have less than 24 months to live or become totally and permanently disabled.
- + **Income Protection (IP) insurance** – Replaces part of your pay if you become ill or injured and can't work. You'll receive 75% of the before-tax salary (gross salary) you earned over the previous 12 months plus a further 9.5% of that salary paid as a super contribution to your Mine Super account.

Who receives Basic Insurance Cover and standard IP insurance?

If you're eligible, you'll receive Basic Insurance Cover, which is made up of DTI and TPD insurance, and standard IP insurance. You don't need to apply for this insurance or, for Basic Insurance Cover, have your health assessed. Generally, this insurance is added to your account after all the following have occurred:

- + Your account balance is \$6,000 and above.
- + You're aged 25 to 64.
- + You're employed and your employer makes their first contribution to your account.

Initially you'll receive Limited Basic Insurance Cover, which provides cover for illnesses or injuries that first arise after your cover starts. If your employer's first contribution is within 180 days of the date of your cover commencement, and you're in Active Employment for 30 consecutive days, your cover will automatically convert to standard Basic Insurance Cover, which provides cover for illnesses or injuries regardless of when they first arose. If, however, your employer makes their first contribution after 180 days of you commencing employment, Limited Basic Insurance Cover will apply for 24 months followed by an additional 30 consecutive days of Active Employment before converting to standard Basic Insurance Cover.

How can I add this insurance to my account if I'm under 25 or have an account balance below \$6,000?

If you're not eligible for Basic Insurance Cover or standard IP cover because your balance is below \$6,000 and / or you're under 25 years of age, you can still choose to have it added by completing a **Super account essentials** form. You'll need to be aged 15 to 64, be employed and have your employer make a contribution to your account.

How much insurance do you receive?

- + **Basic Insurance Cover** – You'll receive a set amount of insurance, between \$5,000 and \$100,000, based on your age. Read the Insurance Guide for details of the amount you'll receive for your age.
- + **Standard IP insurance** – Our standard IP insurance provides an insured salary of \$80,000, a waiting period of 60 days and a benefit period of two years. You can change these at any time.

When is this insurance added to your account?

- + If insurance is added to your account automatically – the later of the date your employer makes their first eligible contribution to your account OR the date you reach age 25 and your balance reaches \$6,000 and above.
- + If you ask us to add this insurance to your account – the later of the date we receive your application, your employer makes their first eligible contribution to your account, your employment commencement date or the date you ask us to add this insurance.

Insurance you apply for

If you're not eligible for Basic Insurance Cover or standard IP insurance or you want extra DTI and TPD insurance, you can apply for insurance by completing:

- + **Apply for Income Protection insurance** form – IP insurance.
- + **Apply for Voluntary Insurance Cover** form - DTI and TPD insurance, called Voluntary Insurance Cover. Applications for Voluntary Insurance (DTI and TPD) will be assessed by our insurer.

The cost of insurance

There's a cost of having insurance through your super account. It depends on the amount of insurance, your age, gender, salary (for IP insurance only), whether you smoke and the type of 'job classification' you have.

 If you don't tell us your job classification, we'll give you a 'mining' job classification.

We deduct the cost of your insurance (premium) from your account monthly in arrears, which covers you for that month. If you're eligible for Basic Insurance Cover and standard IP insurance, we'll automatically deduct the cost of this insurance from your account unless you tell us you don't want it.

The range of costs for our insurance can be found below. You can find the full table of premiums rates in our Insurance Guide which you can find at mine.com.au/super-pds

- + **Basic Insurance Cover** – cost ranges between \$2.79 per month and \$70.66 per month for males and \$2.22 per month to \$63.99 per month for females. As you get older, the amount of your Basic Insurance Cover and in turn, its cost, will automatically change.
- + **Voluntary Insurance Cover** – for \$10,000 of DTI and TPD cover, cost ranges between \$7.587 per month and \$505.909 per month. As you get older, the cost of your Voluntary Insurance Cover will automatically change.
- + **IP insurance** – for \$1,000 of cover, cost ranges between \$0.147 per month and \$1.657 per month for males and \$0.196 per month and \$2.323 per month for females, depending on your age. The cost includes 7.2% for government stamp duty. As you get older, the cost of your IP insurance will automatically change.

Cancelling insurance

You can cancel your insurance at any time by phone on 13 64 63 or by completing the **Cancel my insurance** form. If you cancel your Basic Insurance Cover and / or standard IP insurance within 90 days of the date your insurance started, we'll refund your premiums to your account.

Your insurance will also be cancelled if your account hasn't had a contribution, including transfers from other super funds, for 16 months or more. This is called an 'inactive account'. We'll contact you to let you know if you're at risk of losing your insurance if it's inactive. You can also elect to keep the insurance on your account, regardless of whether it's inactive, by contacting us or completing an **Opt-in to keep your insurance** form.

Changing insurance

- + **Basic Insurance Cover** – You can increase this insurance under our 'Introductory Cover Option' by completing a **Double your Basic Insurance Cover** form or **Your super account essentials** form.

- + **Voluntary Insurance Cover** – You can apply to change this insurance at any time, including increasing it under our ‘Significant Life Event option’ by completing the **Change my insurance** form and / or **Increase insurance following a significant life event** form.
- + **IP insurance** – You can apply to change your insured salary, waiting period and benefit period at any time by completing the **Your super account essentials** form or **Change my insurance** form.

You should read the important information about insurance before making a decision. Read the document titled **Insurance Guide** at mine.com.au/super-pds. The material relating to our insurance may change between the time you read this Statement and the day you sign the application form.

9. How to open an account

There are two ways you can open an account with Mine Super.

Employer-sponsored members

You’re an employer-sponsored member if your employer is registered with us and is paying the compulsory super contributions they need to make for you into your Mine Super account.

We’ll automatically open an account for you when we receive the first super payment from your employer.

Personal members

You’re a personal member if you choose to open a Mine Super account or an account is opened for you because of a family law split. Anyone can open a super account with us.

To open an account, read this PDS and then complete and return the **Personal Membership Application**.

If you’re a personal member, you’ll automatically be transferred to our employer-sponsored category if your employer starts contributing money to your Mine Super account.

Generally, we’ll credit your first contribution to your account on the date we receive it. If there’s a delay setting up your account because we’re missing information from you we’ll keep any interest earned on this contribution while we wait to set up your account.

What if I change my mind? (cooling off period)

If you’ve chosen to open an account (as opposed to your employer signing you up) or an account was opened for you because of a family law split, you can cancel it by writing to us within 14 days of the earlier of:

- + the date we write to you to confirm we’ve opened your account
- + five days after we’ve set up your account.

You’ll need to tell us which super fund to transfer your super money to. The amount you’ll receive back will be adjusted for investment earnings, which could be positive or negative.

You won’t have this 14 day period to cancel your account if you’ve made a transaction on your account, such as changing investment options, nominating a beneficiary or taking out insurance.

For employers

If you're a standard employer sponsor, that is, have chosen Mine Super to be the default fund for your employees, you can cancel this arrangement within 14 days from, whichever is earlier:

- + the day we confirm your application
- + the end of the fifth day from when we first open an account for your employees.

Making a complaint

Here at Mine Super we put our customers first and want to ensure we're providing the best possible customer experience. We always value your feedback to continually improve our products and services.

If you have a complaint, please get in touch and we'll make every effort to resolve your concerns quickly. There are various ways you can make your complaint, which you can find in our **Complaints Management Policy and Customer Guidance** at mine.com.au/complaints. If you need assistance, we can also help you submit your complaint. Let us know by calling 13 64 63 or by using one of the other contact methods outlined in our guidance document.

If you're not happy with how we've handled your complaint, or we don't respond to you within 45 calendar days, you can contact the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that's free to consumers. You can contact AFCA on 1800 931 678, by email at info@afca.org.au or in writing at Australian Financial Complaints Authority, GPO Box 3, Melbourne VIC 3001.

 For more information about making a complaint, go to mine.com.au/complaints

How we protect your personal information – our Privacy Policy

We need to collect information about you to properly set up and manage your account. The government has put in place laws around how we manage this information to make sure it's protected.

 You should read the important information about privacy before making a decision at mine.com.au/super-pds. Read the factsheet titled **Privacy Collection Notice**. The material relating to privacy may change between the time you read this Statement and the day you sign the application form. For more information, read our Privacy Policy at mine.com.au/your-privacy

Communicating with you digitally

Specific information relating to your account will be available digitally, via either your online account or our website. This includes things like Annual Statements, material product changes and transaction confirmations.

For material product change notices and Annual Statements, we'll also contact you to let you know when the document is available.

Prefer paper? Let us know by calling 13 64 63.

The duty to take reasonable care

If you apply for Voluntary Insurance Cover or make changes to your Income Protection insurance, you will be treated as if you are applying for cover under an individual consumer insurance contract and this duty to take reasonable care will apply. The Insurer will conduct a process called underwriting. It's how it decides whether it can cover you, and if so on what terms and at what cost.

As part of underwriting, the Insurer will ask questions it needs to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance.

The information you provide in response to those questions will be vital to the Insurer's decision. As such, when applying for life insurance you have a legal duty to take reasonable care not to make a misrepresentation to the Insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced. Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances;
- what the Insurer would have done if the duty had been met – for example, whether it would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.

You can apply for or transfer in any death, terminal illness, total and permanent disablement and income protection insurance you have with another fund or insurer.

The benefits of transferring include that:

- all your insurance is in one place and you save on multiple fees charged by different providers;
- you receive cover without having your health and lifestyle fully assessed. While exclusions and premium loadings transfer over, you don't pay the loadings; and
- if you transfer in your other income protection insurance, the usual exclusion on existing sickness won't apply.

Yes, I would like to **apply for Voluntary Insurance Cover**, please send me the insurance application forms.

Yes, I would like to **transfer insurance**, please send me a **Transfer in my insurance** form.

Note: There are risks you should consider when transferring your existing cover, such as the loss of any accrued benefits, the possibility of waiting periods having to start again and the implications if you don't disclose all relevant information on an application form (even if unintentional).

3b. If you're self-employed, do you want Limited Basic Insurance Cover?

To be eligible for Limited Basic Insurance Cover, which provides a set amount of death and total and permanent disablement cover based on your age without having your health assessed, you must be self-employed, an Australian resident, which is a person entitled to hold an interest in a registered Australian super fund, and not have been paid or are not in the process of being paid a terminal illness or total and permanent disablement benefit.

If you elect to have Limited Basic Insurance Cover, your cover will start the later of the date you reach age 25 and your balance reaches \$6,000 and above OR the date you ask us to add this insurance.

If you choose to have cover added and your account becomes 'inactive', that is a contribution hasn't been credited to your account for 16 months or more, your insurance will NOT be cancelled as it would have been in normal circumstances.

See our PDS and Insurance Guide for more information about Limited Basic Insurance Cover for the self-employed.

Are you self-employed and operating a business as a self-employed individual, partnership or through a controlled entity?

Yes No

If you're eligible, do you want Limited Basic Insurance Cover?

Yes. Tell us your **job classification** below No

For Limited Basic Insurance Cover, tell us your job classification to make sure you're not paying too much

The type of work you do affects the cost of all your insurance with us. New members automatically have a **Mining** job classification. If you're not an underground miner, let us know, or you could be paying too much for your insurance. If you're retired or not working, select 'light manual'. Your new insurance premiums will apply from the date we receive this form and your application is accepted by our insurer.

For the **professional** and **white collar** classifications, it's important to select the classification that reflects your circumstances. We'll record your job classification according to what you tell us. Refer to the PDS and Insurance Guide for more information about job classifications and salary, and how it may impact your insurance.

- Light manual:** You perform light manual work for more than 20% of your total work time and spend less than 5% of your work time in an underground mine, so long as you're not defined as 'heavy manual' or 'mining'. This category includes duties such as carpenter, electrician, plumber and factory production manager.
- Heavy manual:** You perform heavy manual work or work in an **open-cut mine** for more than 20% of your total work time and spend less than 5% of your work time in an underground mine, so long as you're not defined as 'mining'. This category includes duties such as bricklayer, roof carpenter and truck, forklift or bulldozer driver.
- Mining:** You perform light or heavy manual work in an **underground mine** for more than 5% of your total work time or work in any other high risk occupation agreed between Mine Super and the insurer.

5. Are you aged 67 to 74?

If you're aged 67 to 74, you must work at least 40 hours in any 30 consecutive day period during the current financial year to make after-tax contributions to your super. This is called the 'work test'.

There's an exemption for the work test if you have less than \$300,000 in super. This means you can also make these contributions for up to 12 months after the financial year when you last met the work test, provided that we receive your contributions before 28 days after the end of the month in which you turned 75. You also must not have used this exemption in a previous financial year.

If you're making a contribution and one of these applies, complete this section.

The duty to take reasonable care

If you apply for Voluntary Insurance Cover or make changes to your Income Protection insurance, you will be treated as if you are applying for cover under an individual consumer insurance contract and this duty to take reasonable care will apply. The Insurer will conduct a process called underwriting. It's how it decides whether it can cover you, and if so on what terms and at what cost.

As part of underwriting, the Insurer will ask questions it needs to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance.

The information you provide in response to those questions will be vital to the Insurer's decision. As such, when applying for life insurance you have a legal duty to take reasonable care not to make a misrepresentation to the Insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced. Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances;
- what the Insurer would have done if the duty had been met – for example, whether it would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.

3a. Add Basic Insurance Cover and standard Income Protection (IP) insurance to my account

Generally you're not eligible for Basic Insurance Cover and standard IP insurance until your account balance reaches \$6,000 or more, you're aged 25 to 64, you're employed and your employer makes their first contribution to your account.

However, you can still add it to your account before you turn 25 and / or your account balance is below \$6,000, provided you're employed and your employer makes their first contribution to your account.

If you choose to, you'll receive Basic Insurance Cover, which is made up of Death and Terminal Illness (DTI) and Total and Permanent Disablement (TPD) insurance, and standard IP insurance. If you choose to have cover added and your account becomes 'inactive', that is a contribution hasn't been credited to your account for 16 months or more, your insurance will NOT be cancelled as it would have been in normal circumstances.

I'd like to add Basic Insurance Cover and standard IP insurance to my account.

Make sure you check the eligibility criteria below so you're not paying for cover you can't use.

You're not an Australian or New Zealand citizen or a resident visa holder and therefore not entitled to Basic Insurance Cover and standard IP insurance. *Go to **Section 4** of this form.*

You've been paid, or been entitled to be paid, a terminal illness benefit from any super fund or life insurance policy. You're not entitled to DTI and TPD cover. However, you're still entitled to IP insurance. *Continue through to **Section 3b**.*

You've been paid, or been entitled to be paid, a TPD benefit. You're eligible for limited DTI and TPD cover and IP insurance. *Continue through to **Section 3b**.*

Using your age, see what death and disablement insurance, called Basic Insurance Cover, you'll receive in the table below:

Age	DTI	TPD	Age	DTI	TPD
15-24	\$50,000	\$50,000	61	\$50,000	\$20,000
25-49	\$100,000	\$100,000	62	\$50,000	\$15,000
50-54	\$80,000	\$80,000	63	\$50,000	\$10,000
55-59	\$60,000	\$45,000	64	\$50,000	\$5,000

3b. Check how much you're paying for insurance

Tell us your job classification and make sure you're not paying too much for insurance

The type of work you do affects the cost of all your insurance with us. New members automatically have a **Mining** job classification. If you're not an underground miner, let us know, or you could be paying too much for your insurance. If you're retired or not working, select 'light manual'. Your new insurance premiums will apply from the date we receive this form and your application is accepted by our insurer.

For the **professional** and **white collar** classifications, it's important to select the classification that reflects your circumstances. We'll record your job classification according to what you tell us. Refer to the PDS and Insurance Guide for more information about job classifications and salary, and how it may impact your insurance.

- Professional:** You work in a predominantly office based sedentary occupation for over 80% of your total work time and earn more than \$80,000 pa, excluding employer super contributions, so long as you're not defined as 'mining'.
- White collar:** You work in a predominantly office based sedentary occupation for over 80% of your total work time and earn \$80,000 pa or less, excluding employer super contributions, so long as you're not defined as 'mining'.
- Light manual:** You perform light manual work for more than 20% of your total work time and spend less than 5% of your work time in an underground mine, so long as you're not defined as 'heavy manual' or 'mining'. This category includes duties such as carpenter, electrician, plumber and factory production manager.
- Heavy manual:** You perform heavy manual work or work in an **open-cut mine** for more than 20% of your total work time and spend less than 5% of your work time in an underground mine, so long as you're not defined as 'mining'. This category includes duties such as bricklayer, roof carpenter and truck, forklift or bulldozer driver.
- Mining:** You perform light or heavy manual work in an **underground mine** for more than 5% of your total work time or work in any other high risk occupation agreed between Mine Super and the insurer.

3d. Tailor your IP insurance (if you've chosen to add it at 3a)

New member special offer

If you've chosen to add standard IP insurance to your account at **Section 3a**, you can improve your IP insurance within 60 days of the date on your insurance welcome letter and not pay 20% extra if you smoke. You must meet the eligibility terms outlined in the Insurance Guide to qualify for this offer.

Increase your insured salary to match your actual income

- We automatically record a salary of \$80,000 pa for you to work out the amount and cost of your IP insurance. If you earn less than the salary we've recorded for you, you'll only be insured for your actual salary and could be paying too much for your insurance. Your actual salary is what you earn before-tax is taken out (gross salary) in the 12 months immediately prior to the date you become disabled. It includes incentive-based payments and bonuses, overtime, shift loadings and allowances and any salary package you could otherwise take as cash. If you've worked for a participating employer for less than 12 months, your salary will be based on your average salary for the time you've worked for this participating employer.
- You can choose a lower salary than your actual salary to reduce your insurance costs.

\$, **What annual salary do you want to record for your IP insurance?**
Your nominated salary won't change until you nominate a new amount.

Reduce your waiting period from 60 days to 30 days

A 30 day waiting period will increase your insurance costs by 50%.

Change my waiting period to 30 days

Increase the standard benefit payment period from two years to five years

A five year benefit payment period will increase your insurance cost by 80% and isn't available if you have a waiting period of up to two years under the Policy Extension Option.

Change my benefit payment period to five years.

Alternatively, you can increase your waiting period to reduce the cost of your insurance.

To do this mark 'X' in one box

90 days. Your insurance costs will reduce by 10%.

120 days. Your insurance costs will reduce by 20%.

You can also choose a period of **up to two years**, as per the Policy Extension Option. However, your insurance costs will stay the same. You must apply for this extension within 90 days of your cover automatically starting.

4. Your declaration

I declare that:

- I've read and understood the Mine Super PDS, including the Insurance Guide, found at mine.com.au/super-pds
- I consent to the collection, use and disclosure of my personal information in accordance with Mine Super's Privacy Collection Notice and the Privacy Policy available at mine.com.au/your-privacy and our insurer's privacy policy at tal.com.au/privacy-policy or available on request.
- if my employer has provided my Tax File Number to Mine Super, I agree to it being used for lawful purposes, such as checking my identity and transferring my super to another super fund, unless I otherwise tell Mine Super in writing.
- the information I've provided in this form is true and correct and isn't misleading.
- I've read the duty to take reasonable care for insurance and I'm aware of the consequences of non-disclosure. I must advise TAL Life Limited ABN 70 050 109 450 AFS licence 237848 of any changes in my circumstances from now until I'm notified in writing that my application has been accepted. I've disclosed everything I know that could affect the decision to accept my application.
- I understand the implications of the changes I've made, including the effect these changes may have on the premiums I pay, and that the changes won't apply until this correctly completed form is received and processed by Mine Super. Any restrictions on my current cover will continue to apply to my changed cover.
- I acknowledge that all insurance cover provided is subject to the Mine Super Trust Deed and the terms and conditions of the insurance policies between Mine Super and TAL Life Limited as changed from time to time.
- if I've requested to transfer my other super into Mine Super, I've considered the change in benefits that may result and any fees that may apply.
- I'm not a politically exposed person (PEP). Visit mine.com.au/pep for a definition. If you fall under the PEP definition, please call us on 13 64 63 or email help@mine.com.au

5. Choose who you want to get your super and any death insurance proceeds if you die

- I want to make a binding nomination.** We must pay your benefit to the people you nominate. You need two witness signatures in the witness signature boxes below.
- I want to make a non-binding nomination** (this option isn't available for pensions). We'll decide who to pay your super and any insurance proceeds to, only using your nomination as a guide. Sign the declaration below but you don't need to have it witnessed.

You can only nominate the executor of your estate and / or your dependants. To nominate a beneficiary, mark 'X' in one or both of the boxes below. Please write the percentage that you want to be paid to each beneficiary. Your benefit can be paid in any percentage to your estate and / or beneficiaries but the total must equal 100%.

I want to nominate the individual(s) listed below.

Beneficiary's full name	Relationship				% of benefit
	<input type="checkbox"/> Spouse	<input type="checkbox"/> Child	<input type="checkbox"/> Financial dependant	<input type="checkbox"/> Interdependent	%
	<input type="checkbox"/> Spouse	<input type="checkbox"/> Child	<input type="checkbox"/> Financial dependant	<input type="checkbox"/> Interdependent	%
	<input type="checkbox"/> Spouse	<input type="checkbox"/> Child	<input type="checkbox"/> Financial dependant	<input type="checkbox"/> Interdependent	%
	<input type="checkbox"/> Spouse	<input type="checkbox"/> Child	<input type="checkbox"/> Financial dependant	<input type="checkbox"/> Interdependent	%

and / or I want to nominate the executor of my estate. The following percentage of my benefit will be paid to my estate: %

Must add up to TOTAL 100%

To read more about making a nomination, read our **Nominating Beneficiaries** factsheet at mine.com.au/super-factsheets

Your declaration

I understand that:

- if my beneficiaries are no longer dependants, they pass away before I do or Mine Super can't find them, Mine Super will pay my benefit to someone else they consider appropriate.
- if I have a binding nomination this will remain in place for three years from when my two witnesses and I sign this form. After three years the nomination will cease, but Mine Super may still use the information to help find possible beneficiaries.
- if there's an error with my form, by law it can't be considered a binding nomination. When Mine Super receives my form they'll undertake an initial review and if they find an error I'll be advised whether my nomination is recorded as non-binding or not recorded at all.
- if my nomination is binding it'll replace previous nominations. If this nomination is non-binding, it won't replace a binding nomination.
- I can change or cancel this nomination at any time in writing by completing another **Nominate your beneficiaries** form.

To make your nomination binding, it must be witnessed by two people

- If this section isn't completed and: your account is a super account – your nomination will be non-binding; your account is a pension account – no beneficiaries will be listed on your account.
- Your witnesses must sign and date this form at the same time as you.
- If you nominate your 'estate' as a beneficiary, your executor or a beneficiary under the estate can't also be your witness.

I declare that:

- I'm at least 18 years old; I'm not listed as a beneficiary above; and the person named in **Section 1. Your personal details** signed the above declaration in my presence.
